

Abstract Guidelines

Authors are invited to submit original abstracts aligned with the conference themes.

Word Limit

- Maximum **250 words** (excluding title, author details, and keywords).

Content Structure

The abstract should include the following components:

1. **Introduction** – Brief background and statement of the problem.
2. **Objective** – Clear aim or purpose of the work.
3. **Methodology/Approach** – Description of the approach, materials, methods, or tools used.
4. **Results/Findings** – Summary of key results or expected outcomes.
5. **Conclusion** – Brief concluding remarks highlighting significance or impact.
